These issues are (1) a complete set of claims as amended (it is not cleared from the file what version of what claim has been amended and should be printed) (2) an amendment to the claimed submitted on 8/23/2004 requires a supplemental oath (a oath was submitted after that date but is was a copy of the original oath with the signature of one of the inventors), (3) a consent and assignment by assignee cannot be found in the PTO file. Applicants are also reminded about payment of the maintenance fee..
